I. L29Aまでの漢字をできるだけ多く使って、和訳しなさい。

1. The professor told the students not to enter the music room (*ongakusitu*) until the lecture ends.

2. I used to be often warned against playing in the street.

3. *Senpai*, this may be something unnecessary to bring up, but I think you ought to correct this part of the letter you wrote in English, because as it is, there is the possibility of having the meaning misunderstood.

4. Whether they win or lose, children will learn the importance of working ('doing') together as a team.

5. I used to be scolded by my mother whenever I entered the room with my shoes on.
