After some brief remarks on meeting structure, the meeting began with an Exec Update: the nominations committee is working on smoothing out the Institute Committee nominations process, and Sammi Wyman, the UA Vice President, met with the Registrar's Office to determine the progress of online registration.

Afterwards, 42 U.A.S. 3.1 was passed to create a Standing Committee on Alumni Relations, and 42 U.A.S. 3.2 created an Ad Hoc Athena Printing Committee. In addition, 42 U.A.S. 3.3 tasked various committees to investigate the impact of increasing MIT Enrollment and the actions that are currently being taken to alleviate such consequences.

On a more internal note, Hillel Finboard Appeal was approved, Ryan Normandin was approved as the Vice Chair of the Events Committee, and the nominees for vacancies on the Institute Committees were approved. Also internally, 42 U.A.S. 4.1 passed to establish bylaws for the Nominations Committee, and 42 U.A.S. 4.4 passed to regulate laptop usage at Senate meetings.

Respectfully submitted,
