

## 42 U.A.S. 7

Summary of 42 U.A.S. 7 – November 15, 2010

There were no guest members at this Senate meeting. During the Exec Update, Sammi, the UA Vice President, mentioned that the Vrajesh, the UA President, and Sammi met with student reps on HDAG and Dean Colombo to advocate for a new proposal. The minutes have been posted on the UA website. In addition, there will be further discussion on advising and student-alumni dinners.

Senate then approved allocations from FinBoard to AMSA, 42 U.A.S. 6.1, a bill to update the constitution, 42 U.A.S. 7.1, a bill to allocate funding to the Committee on Student Life to work on a brief Wellness Week event and a Capture the Beaver event, and Jessica Chen as the Vice Chair of the Committee on Public Relations.

During discussion, the Senators discussed constituency events and communication, in conjunction with the upcoming budget. They shared ideas on how to become better communicators and how to be even more proactive in improving student life. There was further discussion on speakers and potential projects or topics of conversation with constituents. Finally, there was a quick discussion on HDAG, housing, Athena printing, and the usage of the Senate mailing list.

Respectfully submitted,

Alec Lai  
UA Secretary General
